IMPROVING TOGETHER

Rising Brook & Silkmore
Thursday 8th &
Friday 9th March 2007

The first Operation Impact held on the Highfields Estate was a huge success last year. Members of the Police, Fire & Rescue Service, Stafford Borough Council, Staffordshire County Council, Staffordshire Youth Service, and many other organisations worked together to tackle as many problems as possible in just a few days.

Now they are coming to an area near you!
Check Local Press for Details.

Teams from Staffordshire Fire & Rescue Service will be in the area offering free Home Fire Risk Assessments and fitting free smoke alarms.

If you would like to be involved with Operation *IMPACT* in your area please contact the Community Safety Team on Tel: 01785 619595 or email: communitysafety@staffordbc.gov.uk
